LINCOLN PARK HERITAGE PLAZA PAVER PROJECT

Established 2015

To commemorate the 90th anniversary of the City of Lincoln Park's incorporation, the Historical Society & Museum established the LINCOLN PARK HERITAGE PLAZA in the spring of 2015 on the museum grounds. This legacy project is designed for honors and memorials to recognize those individuals, families, local businesses and organizations, military service, and civic and community leaders who have been a part of our community's rich history over these many years. We invite you to take part in this commemorative heritage project.

While the initial plaza installation took place in 2015, the Heritage Plaza is an ongoing community legacy project; orders for pavers may be submitted at any time. Annual dedications are held in the month of May each year, with the order deadline set for mid-April.

On the reverse side of this sheet is an order form for the brick pavers, with an explanation of sizes and pricing, and the spaces to provide your text for dedication.

Contact the museum at 313-386-3137, or lpmuseum@gmail.com with any questions.
